INTRODUCTION

Expert Advice was established in Dubai in 2015 by professionals with a vision to provide services of audit, assurance, taxation, bookkeeping, feasibility study, set-up new business, accounting software, preparing financial statements and other accounting and management consultancy services for public and private companies across the UAE and other GCC Countries.

We help leaders make distinctive, lasting, and substantial improvements to the performance of their organizations. We want businesses to work smoothly because if the business works better, the world works better. We tackle their most difficult issues and serious challenges. Our scale, scope, and knowledge allow us to address problems that no one else can. At heart, we are a network of people who are passionate about taking on immense challenges that matter to leading organizations, and often, to the world.

PROFESSIONAL TEAM

Our firm has a workforce of qualified and trained professionals which includes Chartered accountants, financial analysts, auditors, IT experts and other technically qualified persons.

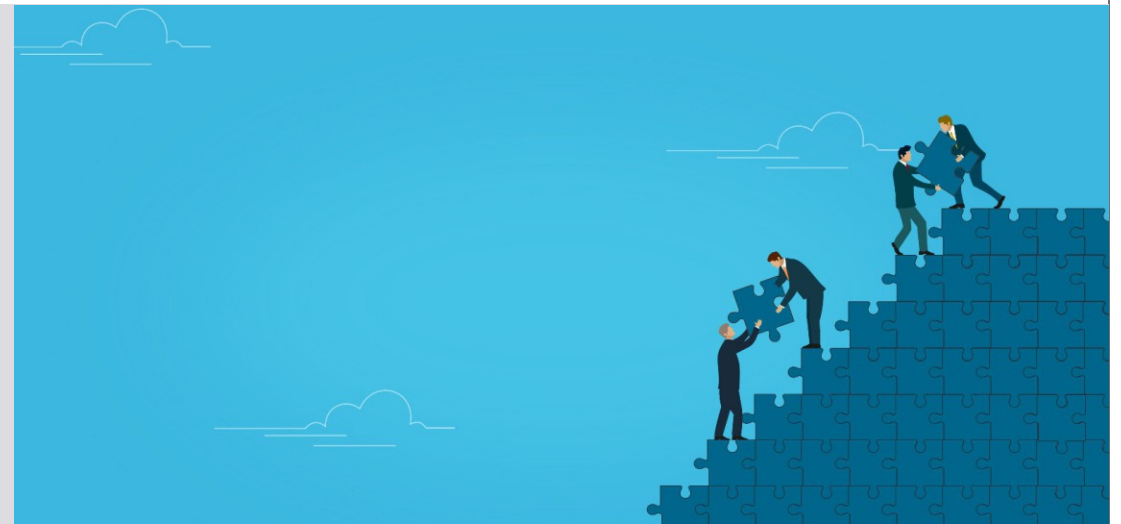

OUR VISION

Our vision is to help businesses across the globe so they could achieve their highest growth and profitability.

OUR MISSION

Our mission is to serve the clients to their utmost satisfaction that helps them to make the best business decisions which could add value to their businesses.

UNIQUE PERSPECTIVE

A shift in the business outlook can be the outcome of a fundamental thrust for business innovation and successful survival. The pursuit for progress is endless. Organizations which survive adversity and recession are those who follow the path of practical imagination and realistic ingenuity. When we try to realize the remarkable from the ordinary; a prospect is evolved which can be termed as opportunity. Utilize this opportunity to understand the remarkable by converting work into service and customer to friend. It reduces the gap of the relationship.

Expert Advice is here to show the opportunities with wisdom and foresight. Our Partners and professional staff strive to achieve the astonishing growth based on our Unique Perception.
